PROFILE

Even though I am just at the beginning of my career, that fact that I have **experience** in two separate fields, **Architecture** and **IT**, offers me the opportunity to have **different perspectives** - a more **creative** one and a **technical** one.

I am an **energetic** person, always eager to learn new skills. I am **able** to handle multiple tasks on a daily basis. I am **hardworking** and I always finish my tasks. I work best in a **team** where I can count on my co-workers but also where they can **rely** on me to deliver the best **results** I can. Even though I take my work seriously, I do have a good **sense of humor**.

WORK EXPERIENCE

PMO - project based Idemia

📅 08/2020 – 10/2020 📍 BUCHAREST, ROMANIA

I was hired on a project to help write and review project documentation, the language used being English UK. My role was to cover all the needs of the project in terms of drafting, reviewing, transmission of documents in various formats, such as: Word, Excel, PowerPoint, SharePoint.

BREEAM Assessor Cundall

📅 07/2018 – 03/2019 📍 BUCHAREST, ROMANIA

My role was to check architectural and engineering documentation, in order to determine if the current construction can receive the required points to be BREEAM certified. Also, I had to produce evidence requirements for BREEAM credits and to prepare interim and final design assessment report for client review and submission to the BRE.
